RE: Notification - Last opportunity to purchase a Tron TR20 GMDSS hand held radio

Dear Sir/Madam:

The Tron TR20 GMDSS radio has been part of the Jotron GMDSS product portfolio and available for commercial use since 2002.

Due to the release of the new TR30 GMDSS hand held radio, please be advised that effective the **1st of July 2017** production of the TR20 GMDSS radio will be discontinued.

A very limited amount of the TR20 GMDSS hand held radios are included in the last planned production, therefore, Jotron encourages you to make the switch to the new and innovative TR30 GMDSS hand held radio as promptly as possible.

Your last opportunity to purchase a TR20 GMDSS hand held radio from production is the **1st of July 2017**. All radios purchased between now and then will be delivered within the 31st of December 2017.

If you require any additional information, please contact your sales representative.

Best regards,

Jotron AS.
